WHAT WE DO

CAMP PHOENIX

Camp Phoenix is BCYP's flagship initiative. Taking place in late August, this week long summer camp is run by our youth volunteers. It's goal is to provide everyone a chance to go to summer camp, regardless of need.

FUNDRAISER GALA

Camps can't run on passion alone. BCYP members from across the province come together to organize a black tie affair to showcase the good that BCYP has accomplished over the years. BCYP's annual fundraiser gala allows members and Alumni to share BCYP memories for a good cause.

SERVICE

BCYP is also a registered charity, and is aided by a dedicated society of BCYP Alumni. We maintain our charitable status by educating youth about our parliamentary system, creating meaningful impact in our communities, and exemplifying our motto of youth serving youth.

WHAT IS BCYP?

For the past 89 years, passionate BC youth aged 16-21 have spent Boxing Week at the BC Legislature in Victoria for BCYP's annual session. Here, members gain a deep understanding of how MPs and MLAs debate and legislate bills into laws, having tons of fun along the way. After session, the real BCYP year begins!

BCYP is a year long commitment. Members in each region organize smaller scale Regional Youth Parliaments (RYPs) after BCYP is said and done. RYPs are for students who want a chance to dip their toes in parliamentary procedure and get a taste of BCYP, all without going too far from home.
